

## **Interior Designer**

Olson Kundig is seeking a talented Interior Designer with a minimum of five years of experience who can demonstrate excellent design sensibility, creativity, graphic skills, enthusiasm, and team work.

### **Primary Job Responsibilities**

Collaborate with Interior Designers and Architects to provide high quality design solutions in all aspects of a project from initial concepts through construction documentation, furnishings and accessories installation.

- Provide presentations for residential, hospitality and commercial interiors based on direction given by senior design staff.
- Research furniture, fixtures and equipment, furnishings materials, and architectural finish materials based on design and functional criteria.
- Prepares technical drawings, presentations and documentation (e.g. specifications and budgets).
- Prepare furnishings budgets, specifications and purchasing.

### **Technical Proficiencies**

- Proficient in Revit.
- Fluent in Adobe Creative Suite, AutoCAD and MS Office Suite, and SketchUp.

### **Training and Experience**

- BA/BS in Interior Design and a minimum of five years interior design experience with an architectural or interior design firm is required.
- Strong analytical, conceptual, organizational, time and project management skills.
- Concise, personable verbal and written communication skills.
- Knowledge of furniture, materials and building finish products suitable for residential or commercial projects.
- Knowledge of interior construction to assist in design detailing and construction documentation.
- Knowledge of LEED building requirements and NCIDQ certification are preferred.

### **Other**

- Valid driver's license.
- Capable of lifting and carrying up to 50 pounds.
- Capable of climbing, standing and working on a 6'-0" ladder.
- Interest and appreciation of art, craft and knowledge of modern design.
